

breamcreek

TASMANIA

2006 RIESLING

- TASTING NOTES** Bream Creek has been producing Riesling since its planting in the early 1970's. The Riesling vines are now over 30 years of age and produce firmly structured wines of great finesse. Bream Creek Rieslings have enjoyed considerable success over the years, largely due to the very long mild season and the influence of vine age. Unlike many of the previous Rieslings, this vintage has some distinctly European characters.
- COLOUR** Medium straw.
- BOUQUET** Citrus blossom, grapefruit, some lime and floral notes
- PALATE** Clean and firm with refreshing lime, musk and citrus notes. Long firm structure, soft and well balanced acidity giving the wine vibrancy and freshness.
- ALCOHOL** 12.9%
- CELLARING** Now to 7 years and beyond. Aged Tasmanian Rieslings are absolutely delightful, and now sealed under screwcap, the ultimate cellar life will be enhanced and difficult to predict
- FOOD MATCH** Spicy Asian style cuisine, especially seafood.
Great with shellfish, especially oysters and mussels.
