Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 31 trophies and more than 740 show medals.

2017 Bream Creek Pinot Grigio

Tasting Note

The 2017 wine grape vintage in Tasmania showed excellent quality, although yields were slightly down from those in 2016. We are very pleased with the balanced acidity and very good flavour aroma profiles across all wine styles.

Our premium cool climate Pinot Grigio reveals a complex nose of pear, apple and spice. The palate is a balanced combination of pear, Meyer Lemon and spiced apple flavours, finishing crisp and dry. It may be enjoyed now or cellared over the short term, where it gain more palate richness.

Food matches would include spicy Indian and Thai foods, especially those with a touch of sweetness.
