# Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 31 trophies and more than 740 show medals.

## 2017 Bream Creek Schönburger

### **Tasting Note**

The 2017 wine grape vintage in Tasmania showed excellent quality, although yields were slightly down from those in 2016. We are very pleased with the balanced acidity and very good flavour aroma profiles across all wine styles.

This wine has a complex nose of fresh melon, rose petal, lychee and honeysuckle. The palate is luscious and persistent, with melon, guava, white stone fruit and brown pear flavours and a refreshing, clean finish. While ideal with sushi, shellfish or Asian style cuisine, this rare German variety has the ability to complement an unusually wide range of foods.

Regrettably stocks are very limited, with less than 200 cases produced.
