Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 31 trophies and more than 740 show medals.

2017 Bream Creek Estate Chardonnay

Tasting Note

The 2017 wine grape vintage in Tasmania showed excellent quality, although yields were slightly down from those in 2016. We are very pleased with the balanced acidity and very good flavour aroma profiles across all wine styles.

This premium cool climate Chardonnay showcases generous citrus, pineapple, stone fruit and integrated French oak flavours, finishing with intensity and balance. You can enjoy this wine now and it will also reward careful cellaring.

Food matches would include slow cooked Scottsdale pork shoulder or herb roasted Marion Bay chicken.
