Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 31 trophies and more than 740 show medals.

2016 Bream Creek Sauvignon Blanc

Tasting Note

Vintage 2016 was simply spectacular in Tasmania. Perfect growing conditions provided the ideal platform to grow fruit that was of excellent quality, with fantastic balance between flavour and physiological ripeness.

A Sauvignon Blanc in the traditional Bream Creek style with aromas of gooseberry, green pea and hints of passionfruit. It has a crisp palate of citrus fruits, guava and herbs with excellent balance and length. It would be ideal as an aperitif or with fresh seafood dishes.
