Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 31 trophies and more than 740 show medals.

2017 Bream Creek Sauvignon Blanc

Tasting Note

The 2017 wine grape vintage in Tasmania produced excellent quality, although yields were slightly down from those in 2016. We are very pleased with the balanced acidity and very good flavour and aroma profiles across all wine styles.

A Sauvignon Blanc in the traditional Bream Creek style with aromas of gooseberry, citrus and blackberry leaf. It has a crisp palate of citrus fruits, guava and herbs with excellent balance and length. It would be ideal as an aperitif or with fresh seafood dishes.
