Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 31 trophies and more than 740 show medals.

2018 Bream Creek Pinot Grigio

Tasting Note

Vintage 2018 will be remembered as one of the earliest, quickest and largest vintages to date. The quality of grapes received was excellent, with the warm weather during vintage allowing us to harvest at optimal flavour ripeness.

Our premium cool climate Pinot Grigio reveals a complex nose of apples, pears and mixed spices. The palate is dry and crisp, showcasing a combination of spiced pear and apple flavours. This wine may be enjoyed now or cellared for a few years, when it will gain increased palate richness.

Food matches would include spicy Indian and Thai foods, especially those with a touch of sweetness – or even with simple fish and chips!
