# Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 31 trophies and more than 740 show medals.

## 2018 Bream Creek Pinot Rosé

### *Tasting Note*

Vintage 2018 will be remembered as one of the earliest, quickest and largest vintages to date. The quality of grapes received was excellent, with the warm weather during vintage allowing us to harvest at optimal flavour ripeness.

Made from 100% Pinot Noir, this easy drinking style of wine shows enticing flavours of red currants, cranberries and strawberries on the nose and finishes crisp and dry. Best served chilled, it is ideal for informal entertaining and would suit a wide range of foods, such as barbequed Tasmanian seafood.
