Bream Creek Vineyard produces premium wines from Tasmania's pristine cool climate and has been rewarded with over 20 trophies and more than 470 show medals since 1990. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape Schönburger in the southern hemisphere.

## 2010 Bream Creek Cuvée Traditionelle (sparkling)

### ***Tasting Note***

Vintage 2010 will be remembered, on the whole, as a very good vintage. This was especially so in Tasmania, where growing conditions were just about perfect.

Produced in the traditional Champenoise (Champagne) method from Pinot Noir and Chardonnay grapes and aged for over 5 years on lees. The delicate bouquet shows citrus and almond notes with floral hints, while the palate is refreshing and crisp with Granny Smith apple and lemon flavours. With a fine bead, this elegant wine can be enjoyed as an aperitif or would also pair perfectly with pan fried East Coast (Triabunna) scallops.
