# Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 31 trophies and more than 740 show medals.

## 2011 Bream Creek Cuvée Traditionelle (sparkling)

### ***Tasting Note***

On the mainland, vintage 2011 will go down as one of the worst vintages in living memory. However, once again Tasmania proved its resilience over the big island, with the generally cooler weather proving particularly beneficial for premium sparkling wines such as this release.

Produced in the traditional Champenoise (Champagne) method from Pinot Noir and Chardonnay grapes and aged for over 5 years on lees. The inviting bouquet shows Granny Smith apple, citrus and almond notes, while the palate is awash with white peach, more lemon and richer brioche flavours. Trademark Tasmanian acidity provides a crisp finish of excellent length. While perfect as an aperitif, this premium wine can also be enjoyed with freshly shucked Bruny Island oysters.
