Bream Creek

Bream Creek Vineyard produces premium wines from Tasmania's naturally cool climate and has been rewarded with 20 trophies and over 470 show medals since 1990. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape Schönburger in the southern hemisphere.

2013 Bream Creek Pinot Grigio

Tasting Note

Vintage 2013 was a dream vintage in many ways – great flowering, relatively dry weather with low disease pressure and a warmer than average summer, which provided the warmth and length in the season to fully mature the grapes.

This wine offers the best of both worlds, showing the pear and pineapple flavours typical of Pinot Grigio as well as the textural elements, including spice and herb notes, characteristic of Alsatian Pinot Gris.

Food matches would include spicy Indian and Thai foods, especially those with a touch of sweetness (for example salmon with nam phrik num dressing).
