

Bream Creek Vineyard produces premium wines from Tasmania's pristine cool climate and has been rewarded with over 20 trophies and more than 470 show medals since 1990. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape Schönburger in the southern hemisphere.

2014 Bream Creek Reserve Pinot Noir

Tasting Note

More rain than usual and a cold snap in November and December meant that flowering was disrupted, hence yields for vintage 2014 were significantly down across all southern Australian states. However, these lower yields meant that the fruit from that vintage was of excellent quality, with perfect balance between flavour and physiological ripeness.

Our 2014 Reserve is a showcase Tasmanian Pinot Noir, selected from the very best parcels of fruit. This is a complex and powerful wine, with flavours of dark cherry and raspberry, spice and French oak flavours and excellent length and balance. This limited release wine can be enjoyed now, but will reward careful cellaring.

"Deep red/purple colour, with a leathery stemmy nose. The wine is full-bodied and nicely rounded, with smooth tannins, ripe and elegant. A really superb wine." 96 points Huon Hooke (www.huonhooke.com) / The Real Review)

"Comparatively deep colour. This southern Tasmanian pinot is packed with rich summer pudding aroma and flavour. Not rushing its release is a wise move." 4.5 stars, 2017 WineWise Championship

94 points Wine Showcase Magazine (August 2017)
