Bream Creek

Bream Creek Vineyard produces premium wines from Tasmania's naturally cool climate and has been rewarded with 20 trophies and over 470 show medals since 1990. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape Schönburger in the southern hemisphere.

2014 Bream Creek Riesling

Tasting Note

More rain than usual and a cold snap in November and December meant that flowering was disrupted, hence yields for vintage 2014 were significantly down across all southern Australian states. However, these lower yields meant that the fruit from that vintage was of excellent quality, with perfect balance between flavour and physiological ripeness.

Made from vines over 40 years old, this wine has a rich nose, showing Bickfords lime cordial, French citron tart, spice and floral notes. The palate reveals vibrant lime, lemon and grapefruit balanced against taut and lively Tasmanian acidity, resulting in a wine with excellent length and a crisp, refreshing finish. It is perfectly suited to fresh Tasmanian seafood and spicy Asian cuisine.
