Bream Creek Vineyard produces premium wines from Tasmania's pristine cool climate and has been rewarded with over 20 trophies and more than 470 show medals since 1990. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape Schönburger in the southern hemisphere.

## 2015 Bream Creek Chardonnay

### ***Tasting Note***

While yields for vintage 2015 were significantly down across all southern Australian states, including Tasmania, the fruit from that vintage was of excellent quality, with perfect balance between flavour and physiological ripeness.

This elegant, cool climate Chardonnay is a bright straw gold colour in the glass. Flavours of citrus and apple, hazelnuts and a touch of fig are supported by creamy nuances from time on lees, fine acidity and well integrated French oak.

Food matches would include herb roasted Marion Bay chicken or a rich, creamy pasta bursting with Tasmanian seafood.
