Bream Creek

Bream Creek Vineyard produces premium wines from Tasmania's naturally cool climate and has been rewarded with 20 trophies and over 420 show medals since 1990. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape Schönburger in the southern hemisphere.

2015 Bream Creek Pinot Rosé

Tasting Note

While yields for vintage 2015 were significantly down across all southern Australian states, including Tasmania, the fruit from that vintage was of excellent quality, with perfect balance between flavour and physiological ripeness.

A delicate salmon bush in colour, this easy drinking style of wine has aromas of strawberries and cranberries. The palate is mouth filling and textural, with cranberry and strawberry fruit characters and a clean refreshing finish. Deliberately produced in a drier style to better accompany a range of fine foods, it is best served slightly chilled and is ideal for informal summer entertaining. Try our Tasmanian take on Provence rosé!
