Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 31 trophies and more than 740 show medals.

2015 Bream Creek Reserve Pinot Noir

Tasting Note

While yields for vintage 2015 were significantly down across all southern Australian states, including Tasmania, the fruit from that vintage was of excellent quality, with perfect balance between flavour and physiological ripeness.

This is a complex and powerful wine, fragrant aromas of dark cherry, blueberries and violets flowing onto a palate showing intense flavours of dark cherry and raspberry, matched by subtle tannins. With excellent length and balance this limited release wine can be enjoyed now, yet will also reward careful cellaring.
