

Bream Creek Vineyard produces premium wines from Tasmania's pristine cool climate and has been rewarded with over 20 trophies and more than 470 show medals since 1990. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape Schönburger in the southern hemisphere.

## 2015 Bream Creek Riesling

### ***Tasting Note***

While yields for vintage 2015 were significantly down across all southern Australian states, including Tasmania, the fruit from that vintage was of excellent quality, with perfect balance between flavour and physiological ripeness.

Made from vines over 40 years old, this wine has a rich nose, showing lime pith, lemon fruits and a touch of talc perfume. The palate reveals vibrant lemon juice and lime pith balanced against taut and lively Tasmanian acidity, resulting in a wine with excellent length and a crisp, refreshing finish. It is perfectly suited to fresh Tasmanian seafood and spicy Asian cuisine.
