Bream Creek

Bream Creek Vineyard produces premium wines from Tasmania's naturally cool climate and has been rewarded with 20 trophies and over 470 show medals since 1990. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape Schönburger in the southern hemisphere.

2015 Bream Creek Sauvignon Blanc

Tasting Note

While yields for vintage 2015 were significantly down across all southern Australian states, including Tasmania, the fruit from that vintage was of excellent quality, with perfect balance between flavour and physiological ripeness.

A Sauvignon Blanc in the traditional Bream Creek style with aromas of green pea, crushed blackcurrant leaf and hints of passionfruit. It has a balanced palate of white stone fruits, guava and citrus, finishing with a refreshing twist of herbs and would be ideal as an aperitif or with fresh seafood dishes.
