

Bream Creek Vineyard produces premium wines from Tasmania's pristine cool climate and has been rewarded with over 20 trophies and more than 420 show medals since 1990. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape Schönburger in the southern hemisphere.

2016 Bream Creek Pinot Rosé

Tasting Note

Vintage 2016 was simply spectacular in Tasmania. Perfect growing conditions provided the perfect platform to grow fruit that was of excellent quality, with perfect balance between flavour and physiological ripeness.

Made from 100% Pinot Noir grape, this is our take on Provence rosé! This easy drinking style of wine shows enticing aromas of cherries, strawberries and cranberries on the nose, while the palate emphasises summer enjoyment, flowing with delicious red fruits.

With a clean refreshing finish, it is ideal for informal summer entertaining!
