

Bream Creek Vineyard produces premium wines from Tasmania's pristine cool climate and has been rewarded with over 20 trophies and more than 470 show medals since 1990. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape Schönburger in the southern hemisphere.

2016 Bream Creek Riesling

Tasting Note

Vintage 2016 was simply spectacular in Tasmania. Ideal growing conditions provided the perfect platform to grow fruit that was of excellent quality, with perfect balance between flavour and physiological ripeness.

Made from vines over 40 years old, this wine has a rich nose, showing lime, lemon and talc notes. The palate shows bright grapefruit, lemon juice and green apple flavours as well as crisp Tasmanian acidity. The resulting wine has excellent length and is perfectly suited to a range of cuisines such as fresh Tasmanian seafood and spicy cuisines.
