Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 36 trophies and more than 900 show medals.

2015 Bream Creek “Mosaic” (*frizzante* sparkling)

Tasting Note

While yields for vintage 2015 were significantly down across all southern Australian states, including Tasmania, the fruit from that vintage was of excellent quality, with perfect balance between flavour and physiological ripeness.

In what may be a “world first,” we have combined our (nearly) Australian exclusive Schönburger variety with the aromatic German grape Gewürztraminer to create a *frizzante* (lightly sparkling) rosé in the style of the Moscato D’Asti wines of north west Italy. This wine is exuberant, fun and slightly bubbly, with aromas of apricot, yellow peaches and rose petals bouncing out of the glass. Deliberately less “fizzy” than other sparkling wines, it is soft and gently sweet on the palate, with flavours of yellow nectarines and apricots, yet finishes clean and crisp. Leave contemporary until tomorrow, put Dame Nellie on the stereogram, dish yourself up a generous helping of Peach Melba and let summer flow over you!
