Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 36 trophies and more than 900 show medals.

2019 Bream Creek Pinot Grigio

Tasting Note

The 2019 wine grape vintage in Tasmania was extremely compacted, with a very early finish for us. The vintage produced excellent quality with balanced fruit and acid, although yields were significantly down for certain varieties as a result of the very dry conditions we are currently experiencing.

Our premium cool climate Pinot Grigio reveals a complex nose of citrus and apples as well as a hint of spice. As is the case with classical 'Grigio' wines, the palate is dry and crisp, showcasing a combination of green apple and lemon flavours. Food matches would include spicy Indian and Thai foods, especially those with a touch of sweetness – or even with simple fish and chips!
