Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 36 trophies and more than 900 show medals.

2018 Bream Creek Riesling

Tasting Note

Vintage 2018 will be remembered as one of the earliest, quickest and largest vintages to date. The quality of grapes received was excellent, with the warm weather during vintage allowing us to harvest at optimal flavour ripeness.

Made in our traditional style, this wine has an aromatic nose of lemon pith and lime juice. The palate shows bright citrus and green apple flavours as well as crisp Tasmanian acidity. The resulting wine has excellent length and is perfectly suited to a range of cuisines, including freshly grilled Tasmanian seafood.

"Hand-picked, crushed and destemmed. Finely structured and balanced; apple, lime and lemon flavours of a new-born wine; its future is assured, as the acidity and residual sugar are in balance. It will be a steady building process, offering pleasure every point along the way." 94 points James Halliday Wine Companion (1 June 2019)
