Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 36 trophies and more than 900 show medals.

2018 Bream Creek Chardonnay

Tasting Note

Vintage 2018 will be remembered as one of the earliest, quickest and largest vintages to date. The quality of grapes received was excellent, with the warm weather during vintage allowing us to harvest at optimal flavour ripeness.

This premium cool climate Chardonnay showcases citrus, green apple and integrated French oak flavours. A complex and layered wine, it finishes with intensity and balance. You can enjoy this wine now and it will also gain richness with careful cellaring. Food matches would include slow cooked Scottsdale pork shoulder or herb roasted Marion Bay chicken.
