# Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 36 trophies and more than 900 show medals.

## 2019 Bream Creek Pinot Rosé

### *Tasting Note*

The 2019 wine grape vintage in Tasmania was extremely compacted, with a very early finish for us. The vintage produced excellent quality with balanced fruit and acid, although yields were significantly down for certain varieties as a result of the very dry conditions.

Made from 100% Pinot Noir, this easy drinking style of wine shows enticing flavours of cranberries and strawberries on the nose and palate, finishing crisp and dry. Best served chilled, it is ideal for informal entertaining and would suit a wide range of foods, such as barbequed Tasmanian seafood.
